

A SPELLING BEE FOR CHEATERS

Stats to sweeten your fundraising honeypot!

Fact 1

What does Family Tree Clinic do?

We provide family planning services, sexual health education and clinic services, limited primary care, Trans hormone care, as well as operate the MN Family Planning + STD Hotline.

Fact 2

More than half of our patients identify as members of the LGBTQ community.

Fact 3

16% of every dollar donated goes directly to education services. 80% runs the clinic and a mere 4% goes towards fundraising.

Fact 4

We are the only clinic in Minnesota, and possibly the upper Midwest, offering trans hormone care on a sliding fee basis. Plus, we have the largest provider base in the upper Midwest offering such services.

Fact 5

Family Tree Clinic serves upwards of 25,000 people each year through education and medical services.

Fact 6

Our average patient is under 30, makes less than a \$1,000 a month and doesn't have health insurance or can't afford their deductible.

Fact 7

We respond to over 3,000 texts, web chats, and phone calls on the MN Family Planning + STD Hotline every year — the only hotline like it in the state of Minnesota.

Fact 8

Our community sexuality educators teach over 19,000 individuals each year, including homeless and incarcerated youth in the Twin Cities and Deaf, DeafBlind, and Hard of Hearing folks.

Fact 9

Patients travel from seven different states to receive care at Family Tree. Most of these folks are members of the LGBTQ community receiving hormone care.

Fact 10

In the 45 years we've been around, we've NEVER turned away a patient because they couldn't pay. And we never will.
