

## Clinic Assistant

### Job Description

Family Tree Clinic seeks a part-time Clinic Assistant with solid customer service skills, a strong passion for sexual and reproductive health, experience working with LGBTQ communities, and a commitment to social justice. The Clinic Assistant is a key team member and will work to further our mission, vision, and values through providing direct service to our patients and supporting our medical and administrative staff in our brand new building in Minneapolis, mostly in the evenings and Saturdays.

(For instructions on how to apply scroll down; cover letter and resume are required.)

### Who We Are

Family Tree Clinic is a leader in sexual and reproductive health care in the Twin Cities and Minnesota. Founded by community activists and volunteers in 1971, our vision is to eliminate health disparities through innovative, personalized sexual health care and education for diverse needs. We work to achieve this vision through providing patient-centered health care services, community education and outreach; and through developing alliances across the state to promote sexual health and freedom in our communities. The staff at Family Tree is a team of committed, passionate, and smart individuals who work hard and are eager to learn and grow together as we provide services and education to our community.

### Core Value Statements

Commitment to furthering social and reproductive justice: striving for and demonstrating a conscious awareness of cultural markers and lenses related (but not limited) to race, ethnicity, country of origin, religion, family narrative, gender identity, immigration status, gender presentation and expression, sexual orientation and expression, mental and physical ability, size, class, and age; sex positive; striving to center justice lenses in our daily work and long-term goals

Mission-focused: conveying passion for our mission with an understanding that our work evolves over time, and that there are many ways we accomplish our collective goals; supporting a workplace environment that is in service to our mission

Collaborative and accountable: being mindful of our differences and striving for self-awareness; accountable to colleagues, patients, clients and community members; acknowledging of one's own mistakes and striving to learn from them; supportive of ongoing learning

Direct and respectful: being honest, candid and straight-forward in a way that acknowledges the power of our words; assuming the best intentions when engaged in difficult conversations; conveying respect for each other and our clients; upholding workplace standards and Family Tree's mission in all of our interactions
